Your milestone progress report is here!

[Program Syllabus](#)**Dear Indresh Goswami,**

We hope that you are having a great time completing the quests and skill badges in the program and are actively working towards completing your milestones and making yourself #GoogleCloudReady.

Please find your progress report in the program along with some **important announcements & reminders** below. We will be sending this report to you **every 2-3 days** so that you can keep yourself updated on where you are in the program and what's your progress.

*Note: Your progress might be **24 hours old**, so don't worry if you don't see any recently completed quests/skill badges below. It will be updated by the next report.*

Program Announcements & Reminders

Please CAREFULLY read these latest program-related announcements & reminders below to keep yourself up-to-date. **See NEW Announcements below!**

- **Program has now officially ended** - Please note that as of today, we have **stopped counting** any new quests/skill badges completions you will make in the program and your completion numbers given below are **FINAL**. See further below to see which milestone you have earned and the prizes that you are entitled to. Congratulations!
- **Information about how to claim your swags will be shared soon** - Note that it can take around a week for us to share more information about how you can start claiming your swags. Hence we request you to please be patient and DO NOT worry as you will definitely receive what you are entitled to receive.
- **Make sure that you don't miss out on any important information from Google** - We will be sending a few emails in the next 1 or 2 weeks about how to claim your prizes and you certainly don't want those emails to end up in your **spam/promotions folder AGAIN**. Hence we request you to add our email addresses in your contacts so that you don't miss out on any important information. Follow [the instructions here](#) to do the same. **NOTE:** Use "Google Cloud Education" as First Name and "googlecloudedu-noreply@google.com" as Email instead of "Qwiklabs" & "support@qwiklabs.com" in the video.

Here is your progress report!

Please find the **# of quests & skill badges that you have earned** so far and the progress of each of your milestones below.

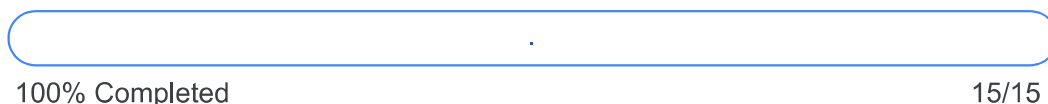

Metric	Value
No. of Quest completions	40/40
No. of Skill Badge completions	20/20

Note: Only quests and skill badges that you complete after your enrolment date are counted. Anything completed before that is not counted.

See the progress for your milestones below!

Find the progress of your 4 milestones below. Remember the more quests and skill badges you complete, the faster the milestones will get filled and the prizes for those will be unlocked. So start completing now!
